The Aquarius exemplifies innovation through its sleek design, practical functionality, and robust construction.

SHOWN  
**AQU-23S-SS**  
5402 Granite

A photograph of a modern, two-story house with a light-colored, horizontally-slatted exterior. Large glass windows and doors are visible, reflecting the surrounding landscape. In the foreground, a swimming pool with clear blue water is partially visible. To the left of the pool, a modern lounge chair with a light-colored cushion and a dark metal frame sits on a paved patio. A small, young tree with light green foliage stands in front of the house, casting a shadow on the wall. The sky is clear and blue.

COLLECTION  
**LIBRA**

SHOWN  
**LIB-25S-AB**  
5453 Canvas

The **LIBRA** delivers beauty, functionality, and unquestionable durability. This center post umbrella was designed for most commercial applications featuring an easy-to-use push up system with secure automatic locking. The Libra's internal counterweight design ensures the umbrella opens easily and glides to a close. In larger sizes, a telescoping mast is featured for ultimate shade functionality.
